CHILDREN'S SONGBOOK

MY DREAMS

MY DREAMS

VERSE 1

Spoken - Wow, what's that green, furry thing?

Sung - It's a green rabbit dancing in a cabin

Green rabbit dancing in a cabin

After you kissed me goodnight

After you turned out the light

I saw a green rabbit, dancing in a cabin

Dancing the night away.

VERSE 2

Spoken - Hey! Look up on that hill. What's that big blue thing?

Sung – It's a blue horse running in a house

Blue horse running in a house

After you kissed me goodnight

After you turned out the light

I saw a blue horse running in a house

Running the night away.

VERSE 3

Spoken - Hey! What's that big black thing behind the barn? Can anyone see?

Sung – It's a black tortoise singing on a farm

Black tortoise singing on a farm

After you kissed me goodnight

After you turned out the light

I saw a black tortoise singing on a farm

Singing the night away.

VERSE 4

Spoken - What's that long, brown, thin thing?

Sung – It's a brown snake digging in a phone booth

Brown snake digging in a phone booth

After you kissed me goodnight

After you turned out the light

I saw a brown snake digging in a phone booth

Digging the night away.

VERSE 5

Spoken - Hey look! What's that yellow thing?

Sung – It's a yellow dog cooking in a lighthouse

Yellow dog cooking in a lighthouse

After you kissed me goodnight

After you turned out the light

I saw a yellow dog cooking in a lighthouse

Cooking the night away.

VERSE 6

Spoken - Hey! Can you see that? It's a big orange thing, with a big mouth and big teeth! What is it?

Sung – It's an orange hippo sewing in a tree house

Orange hippo sewing in a tree house

After you kissed me goodnight

After you turned out the light

I saw an orange hippo sewing in a tree house

Sewing the night away.

VERSE 7

Spoken - Hey look! What's that small red thing?

Sung – It's a red frog laughing on a roundabout

Red frog laughing on a roundabout

After you kissed me goodnight

After you turned out the light

I saw a red frog laughing on a roundabout

Laughing the night away.

Green rabbit, blue horse, black tortoise, brown snake,

Yellow dog, orange hippo, red frog,

They're dancing and running and singing and digging

And cooking and sewing and laughing

I'm dreaming the night away.

Green rabbit, blue horse, black tortoise, brown snake,

Yellow dog, orange hippo, red frog.
